*Depending on Bids

The Spring Show is similar to the end of the year recital or showcase! It's a perfect opportunity to invite friends and family to see the skills your athletes have been working so hard for! ALL TEAMS PARTICIPATE in the Spring Show. This event is open to the public. The Spring Show has been rescheduled to 4/18. The details will come out next week!

PREP Teams & Tiny Teams

As our prep teams & Tinies wrap up their competitive season, they will continue working skills and improving their routines for the Spring show! Practice times will

remain the same thru the month of March.

A Note About Tumbling:

Tumbling is a huge factor in team placements for next season! Contact the front desk for current tumbling classes schedules, or to schedule a private lesson for your athlete. Please note that drills and body shaping/ awareness are vital to the improvement in a specific skill. For example, if your athlete is learning or mastering their back handspring, they may spend 75% of their class or private lesson working on a drill that focuses on a specific aspect of that skill (the jump, landing, etc). This is MORE beneficial than spotting an athlete 100 times thru the course of a class. Drills are ESSENTIAL! If you have questions about progression, or the skill set your athlete should be working on, ask your coach!

This week is SPIRIT WEEK!
